## Rover's Bath & Works

Don't have time to give your dog a bath? Let Rover's help.

**Call now** to schedule a **Bath & Works** which includes bath/brush, nail clipping, anal gland expression, ear cleaning/plucking, and a blow dry.

Call 232-PLAY (7529) to make your appointment.

A new puppy is cute and fun, but can be a chore to train. If you don't have as much time as you like to train him or her then let Rover's take some of the burden off. Enroll in our **Puppy Program**.

Our Puppy Program provides personal training in a daycare environment. The Puppy Class is limited to 8 dogs per session so sign up early and get your puppy friend off to a great start with basic commands and socialization.
